Sample menu – we customise every event to suit your needs

We cook and bring the food to your event. You choose how much help you want from us. There are three options below. The price is for the whole event: not per person.

Your Options

OPTION 1

We Drop Off the Food

We bring the food in sealed containers that keep it hot. You put the food into your own dishes and trays. This is our lowest cost option.

OPTION 2

We Style the Food

You set up your dishes and trays. We arrive 60 minutes early and finish the food: we plate it up, add fresh herbs and decoration, and put out name signs for each dish.

OPTION 3

We Style the Food + Seafood

Everything in Option 2, plus a large fresh seafood display. Prawns, oysters and mussels on ice. This makes a big impression at any event.

Pricing

Number of Guests	Option 1 Drop-Off Only	Option 2 We Set Up	Option 3 Setup + Seafood
50 guests	\$2,250	\$2,500	\$3,100
